

Internship, B.Sc., M.Sc. and Ph.D. theses

We offer students opportunities to be involved in our group's various research projects. As a part of this, students may be able to work on their bachelor's thesis, master's thesis and Ph.D. dissertation.

If you are interested, please send an email with attachments (e.g., letters of reference) to Steffen Moritz (moritz@uke.de) – please, no "snail mail". Good command of the German language is advantageous.
